PETITION FOR RULE MAKING

Maurice Salsa (Petitioner), pursuant to 47 C.F.R. 1.401, hereby requests the commission to amend section 73.202 (b) of its rules, the FM Table of Allotments, to allot channel 285C2 (104.9 Mhz) at Attica, Kansas.

DISCUSSION

Attica, Kansas is an incorporated community of over 625 people. Petitioner respectfully submits that the public interest would be served by allocating Channel 285C2 to Attica, Kansas, as that community's first aural broadcast transmission service. Attica has its own mayor, Leslie Casas, its own fire department, its own post office, its own school district and a number of local churches. The proposed channel 285C2 will provide additional diversity and an outlet for local self-expression to Attica residents and therefore is in the public interest.
